Filename: The photographer's name should be included as part of the image filename.

### 2. Accompanying Text (must include the following):

Photographer's Name:

Contact Information (typically a web or email address):

Image Title:

Caption (100 words or less describing how the image pertains to climate change):

All text must be sent as a MS Word document

### 3. Completed Permission Form:

#### Rights Granted

I, the undersigned hereby give 350.org permission to post my copyrighted photograph described as follows:

\_\_\_\_\_,  
on the 350.org website without restriction as to time and duration. I attest I am the copyright owner of this photograph and have full rights to grant this usage. The image will appear with caption text supplied by me describing how the image relates to the issue of climate change along with my contact information. I understand the text may be edited to comply with space limitations. All other rights, including copyright ownership are reserved. Any additional usage requires express written permission by me or my agents. I understand my participation in this on-line gallery constitutes an entirely voluntary and charitable donation of my work in order to support the efforts of 350.org
